

**Our Lady of Loretto Parish CYO** Program is open to all students, Grades 4 – 8, living within the Parish Boundaries as outlined by the Archdiocese of San Francisco. **Our Lady of Loretto CYO** will make every effort to ensure all students are placed on a team, however, this may not always be possible. In the event we have more players than spaces available, we will place students on the teams in the following priority:

Students attending OLL School

Students attending OLL Parish Religious Education

Students attending another Catholic School

Students attending religious education at another Religious Institution

Students who do not attend any Religious Education Program
